"At Piney Ridge," American Theatre.

After the exceedingly vivid pictures of

New York as it wasn't; that recently darkened the stage of the American Theatre. the "new Southern play, in four acts" called "At Piney Ridge," is quite a relief. both for the upper and the lower patrons of that house. It is like a full in the storm of Pete have bud enough of rampant horrors told upon a dark stage, amid the cracking lieve that our little gallery friends-who 'At Piney Ridge," than they can bestow ipon the miserably manipulated atrocities And if they won't well, I'm one little creatures, are Swipesey and Pere, and times when one feels almost inclined to

Whenever the young man read, Nature go home. It has a good, sound story to

but he has reintroduced them to us in new clothes, with new qualities, and in new combinations. Few playrights do more.

Fewer still do as much The hero of "At Piney Ridge" is a Chat-anooga youth, who, when an infant, was stolen by an octoroon and left in the moun tains, while her own son was allowed to take his place. Nothing very much happens until the two young men fall in love with the same dulect girl. Then it is that Jack Rose is told that he lms "the faint of black blood in his veins." The real person with the taint is, as you can imagine, the villain, and his cause triumphs, But a Nem esis in the shape of a girl whom he has wronged arises, and his triumph is short-lived. Added to this are certain little playful fluancial crimes that soon oust him from his temporary luxury, and call forth

He is now making a critical rending of confronted by the father of the girl at her keen pitch of excitement. A splendid vindication of the hero is anticipated-not nly by the gallery, but by the stalls. Cindy appears in due course, but-unfor-cunate subterfuge!—she falls upon the stage in a sort of tender Ophelia insanity and begins to bubble incoherently. The curtain falls as the hero, from the centre of the
